

SUPREME BAMBOO CHARCOAL

HEALTH-ORIENTED JAPANESE CULTURE

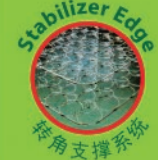

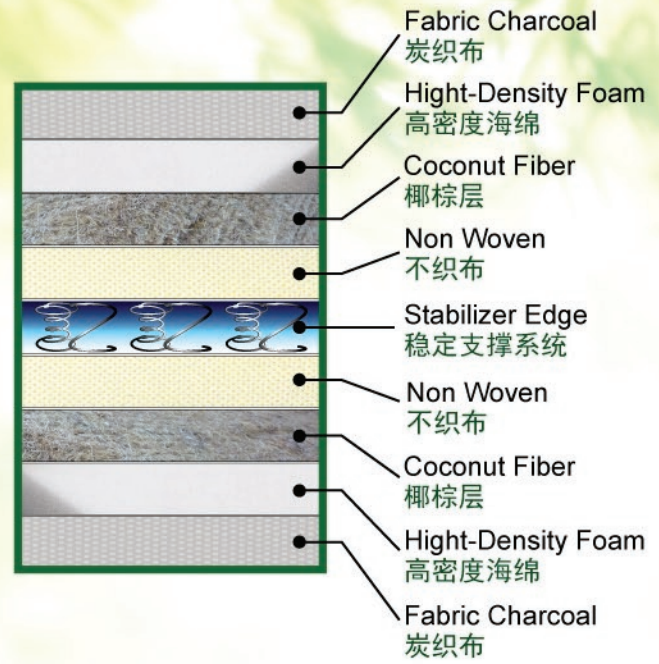

Bamboo charcoal is an ideal component as it absorbs humidity and unpleasant odours, and even purifies the air around the sleeping environment. In the health-oriented Japanese culture, the use of bamboo charcoal in a range of products already has a long tradition. Thanks to the negative ions, sleeping in a bamboo charcoal environment thereby helps to relieve stress.

竹炭是一种理想的成分，因为它吸收潮湿和难闻的气味，甚至净化睡眠环境周围的空气。在日本为健康的文化，竹炭在使用范围的产品已经有着悠久的传统。竹炭在含有负离子睡眠状况下，有助于缓解压力。
